### **NOTICE AND CONDITIONS PRECEDENT**

7. All conditions precedent necessary to maintain this action and in order to maintain claim under the insurance policy in question have been performed, occurred, or have been waived by Defendant.

### **FACTS**

8. This lawsuit arises out of the following transactions, acts, omissions, and/or events. Hurricane Harvey struck South Texas on August 25, 2017 over several days and caused catastrophic damage throughout the region. On or about August 25,

---

<sup>1</sup> Tex. Ins. Code 542A.003 requires pre-suit notice not later than the 61st day before an action is filed, unless notice is impracticable because there is insufficient time to give pre-suit notice before the limitations period will expire. Plaintiff has provided pre-suit notice within the parameters pursuant to 542A.003(d).

2017, Plaintiff's property sustained damages as a result of Hurricane Harvey winds over multiple consecutive days.

9. Plaintiff submitted a claim to Defendant, STATE FARM LLOYDS, pursuant to the contract of insurance, for damages to the property as a result of Hurricane Harvey and asked Defendant STATE FARM LLOYDS to honor its contractual obligations and cover the cost of repairs to the property.

10. Defendant, STATE FARM LLOYDS, accepted the Plaintiffs' claim and assigned a claim number of 53-1274-B94.

11. Defendant, STATE FARM LLOYDS assigned adjuster Dale Shelton to inspect, investigate and evaluate the claim, assess the damages to the property, and communicate with the Plaintiff as to coverage under the policy.

12. Dale Shelton performed an inspection of the subject insured property and provided an estimate of the damages on March 26, 2018. Mr. Shelton estimated the covered damages at a replacement cost value of \$5,789.01, which was less than its deductible.

13. Even though the property had sustained extensive damages from the storm, Shelton ignored wind created damages to the property. Shelton completed a results oriented, unreasonable inspection, failed to document all the covered wind damages to the property, ignored facts supporting coverage and improperly denied Plaintiff's damages.

14. Plaintiff did not agree with Mr. Shelton's assessment of the damages to its property.

15. Plaintiff then hired Stevephen Lott of Integrity Claims Services, LLC to inspect the property for damages from Hurricane Harvey, properly investigate and evaluate the claim and communicate with Defendant and its representatives regarding the claim.

16. Stevephen Lott determined that Plaintiff's property damages were grossly undervalued by Mr. Shelton and STATE FARM LLOYDS. After inspecting the property, Mr. Lott determined that there was wind damage to the roof and water damage that entered through wind created openings. Mr. Lott determined that the storm damages to the property exceeded the estimate provided by State Farm and consequently that STATE FARM LLOYDS and its representatives had failed to pay for all of your insured's covered storm related property damages.

17. Plaintiff contacted STATE FARM LLOYDS to discuss its disagreement with the coverage determination made by Shelton. Defendant, STATE FARM LLOYDS then retained SDII Global Corporation to investigate and evaluate the claim. SDii Global Corporation then assigned Michael Stowell, P.E. and Thaddeus Lott, P.E., to perform a visual inspection of the property and determine the extent of the damage.

18. Michael Stowell, P.E. and Thaddeus Lott performed multiple site visits, and ultimately provided a report stating there was pre-existing damages and very minimal storm damage. Mr. Stowell later provided a second report also advising again of pre-existing damage and minimal storm related damage.

19. STATE FARM LLOYDS then retained John R. Altemose. He and a representative of ABUNDANT LIFE UNITED PENTECOSTAL CHURCH met on March 23, 2018. Plaintiff then received a letter from John Altemose, dated March 26,

2018, denying Plaintiff's claim due to wind-driven rain and no wind related openings to the building. Mr. Altemose's assessment of the storm damages was results-oriented and unreasonable.

20. Defendant, STATE FARM LLOYDS relied upon Mr. Shelton's, Mr. Stowell's and Mr. Altemose's inaccurate and unreasonable reports to deny the Plaintiff's damages. Furthermore, Defendant, STATE FARM LLOYDS failed to accept or deny coverage for the remaining damages in writing within the statutory deadline.

21. Plaintiff then retained Richard Clarke of Risk Protection Services to inspect the insured property and provide a written estimate of storm damages to the property. Mr. Clarke inspected the property and determined that the storm damages to the insured property were valued at \$145,473.50.

22. Based on the improper, inadequate, and incomplete investigation of STATE FARM LLOYDS, and its representatives, the Plaintiff's damages were only estimated at \$5,789.01, which is less than the \$15,000.00 deductible.

23. To date Plaintiff has yet to receive full payment on their Hurricane Harvey claim.

24. Defendant, STATE FARM LLOYDS ignored the information provided by the Plaintiff, its public adjuster, and Richard Clarke. Instead, Defendant, STATE FARM LLOYDS chose simply to only rely on the portions of its adjuster's, consultant's, and vendors' reports which supported the results-oriented investigation and coverage decisions supporting denial of Plaintiff's claim.

25. Defendant, STATE FARM LLOYDS failed to perform its contractual obligation to compensate Plaintiff under the terms of the Policy.

**CAUSES OF ACTION AGAINST DEFENDANT, STATE FARM LLOYDS -**  
**COUNT I - BREACH OF CONTRACT**

26. Each of the foregoing paragraphs is incorporated by reference in the following.

27. Plaintiff and Defendant STATE FARM LLOYDS executed a valid and enforceable written insurance contract providing insurance coverage to the insured location at 610 Highway 327 East, Silsbee, Texas 77656. The policy provides coverage for the peril of wind, hurricane and rain, such as those sustained during Hurricane Harvey, among other perils.

28. All damages and loss to the Plaintiff's property were caused by the direct result of a peril for which Defendant STATE FARM LLOYDS insured the Plaintiff, pursuant to the policy herein, specifically, the perils of hurricane, wind, and rain.

29. Defendant, STATE FARM LLOYDS sold the subject insurance policy to Plaintiff insuring the subject insured property in its "as is" condition.

30. Plaintiff suffered a significant loss with respect to the property at issue and additional expenses as a result of the high winds and rain that occurred during Hurricane Harvey.

31. Plaintiff submitted a claim to Defendant, STATE FARM LLOYDS pursuant to the contract of insurance for damages as a result of high winds and rain that occurred during Hurricane Harvey.

32. Plaintiff provided Defendant, STATE FARM LLOYDS, with proper notice of damage to the exterior and interior of the subject insured property.

33. Defendant, STATE FARM LLOYDS ignored the information provided by the public adjuster and other information provided by Plaintiff that supported coverage of Plaintiff's damage and chose to rely solely on its own consultants.

34. STATE FARM LLOYDS by and through its adjusters and representatives have failed to properly evaluate the damages resulting from the covered cause of loss.

35. STATE FARM LLOYDS by and through its adjusters and representatives failed to retain the appropriate experts and/or consultants to evaluate the hurricane winds and water damages to the subject property.

36. As of this date, STATE FARM LLOYDS by and through its adjusters and representatives have failed to pay for the hurricane winds and water damages to Plaintiff's property.

37. Plaintiff has attempted on numerous occasions to obtain full and complete payment for covered losses pursuant to the insurance policy.

38. Defendant, STATE FARM LLOYDS, acting through its agents, servants, representatives and employees has failed to properly investigate, evaluate and adjust Plaintiff's claim for benefits in good faith and has further failed to deal fairly with Plaintiff.

39. Defendant, STATE FARM LLOYDS has failed and refused to evaluate the information and surrounding facts regarding Plaintiff's covered claim, choosing instead to hide behind palpably incorrect assumptions and conclusions of its agents, employees or consultants.

40. As of this date Defendant, STATE FARM LLOYDS continues to be in breach of the contract.

41. STATE FARM LLOYDS ignored the information provided by Plaintiff and its public adjuster during the handling of the claim and did not make any payment to indemnify Plaintiff for the full amount of the covered damages.

42. STATE FARM LLOYDS failed to make any payment after receipt of the additional information from Plaintiff and its public adjuster.

43. The mishandling of Plaintiff's claim caused a delay in Plaintiff's ability to fully repair the Property, resulting in additional damages.

**COUNT II - VIOLATIONS OF THE TEXAS UNFAIR OR DECEPTIVE  
PRACTICES ACT**

44. Each of the foregoing paragraphs is incorporated by reference in the following.

45. Defendant STATE FARM LLOYDS is an entity that is required to comply with Tex. Ins. Code Sections 541.051; 541.060; 541.061; and 541.151. Defendant's conduct constitutes multiple violations of the Texas Unfair or Deceptive Practices Act.

1. Misrepresenting a material fact or policy provision relating to coverage at issue;
  - a. Making an untrue statement of material fact. STATE FARM LLOYDS through its agents, employees, or consultants prepared an estimate of damages that was misleading as to the value of damages to the subject property stating the total damages were \$5,789.01 and denying payment.
  - b. Failing to state a material fact necessary to make other statements made not misleading, considering the circumstances under which the

statements were made. STATE FARM LLOYDS through its agents, employees, or consultants failed to advise Plaintiff that it failed to perform proper testing of the building and property in order to more accurately investigate and evaluate the damages resulting from the covered perils of hurricane, wind and rain.

c. Making a statement in a manner that would mislead a reasonably prudent person to a false conclusion of a material fact. STATE FARM LLOYDS through its agents, employees, or consultants advised Plaintiff and its public adjuster in a letter dated March 26, 2018 that it had investigated and evaluated the damages to the subject property resulting from the August 25, 2017 hurricane and concluded its coverage determination, thereby misleading the Plaintiff to conclude that a proper and complete investigation had been performed.

2. Failing to attempt in good faith to effectuate a prompt, fair, and equitable settlement of a claim with respect to which the insurer's liability had become reasonably clear. STATE FARM LLOYDS failed to consider reports provided by Plaintiff and failed to utilize information in the reports that would support coverage of Plaintiff's damages.

3. Failing to promptly provide a reasonable explanation of the basis in the policy, in relation to the facts or applicable law, for the insurer's denial of a claim. To date, Defendant has failed to provide a reasonable explanation of the basis of its denial of coverage for all of Plaintiff's damages.

4. Refusing to pay a claim without conducting a reasonable investigation with respect to the claim. STATE FARM LLOYDS through its agents, employees, or consultants failed to request its employees, agents, or consultants to perform proper testing of the building at the subject insured property in order to properly evaluate the extent and value of damages resulting from the Hurricane Harvey event of August 25, 2017.

46. Defendant's unfair settlement practice in failing to conduct a proper and thorough evaluation, failing to perform adequate testing of the building to more accurately investigate and evaluate the damages, failing to advise Plaintiff that it had not performed proper testing of the building and had not properly investigated and evaluated the damages, and preparing both a misleading and inaccurate damage estimate resulted in Defendant's failure to attempt in good faith to effectuate a prompt, fair, and equitable settlement of the claims, even though Defendant's liability under the policy was reasonably clear, and constitutes an unfair method of competition and an unfair and deceptive act or practice in the business of insurance. Tex. Ins. Code Sections 541.051, 541.060 and 541.061.

### **COUNT III – VIOLATIONS OF THE PROMPT PAYMENT OF CLAIMS ACT**

47. Each of the foregoing paragraphs is incorporated by reference here fully.

48. Defendant's conduct constitutes multiple violations of the Texas Prompt Payment of Claims Act - Tex. Ins. Code Chapter 542. All violations made under this article are made actionable by Tex. Ins. Code Section 542.060.

49. Specifically, Defendant failed to accept or reject Plaintiff's claim within the time period or notify the Plaintiff why it needed more time, as required by Tex. Ins. Code 542.056.

50. Defendant failed to timely conduct a proper investigation of the damages to the subject property resulting from a covered peril resulting in a delay of payment of adequate insurance benefits as contracted under the insurance policy between the parties.

51. Defendant's failure to give adequate consideration to the information provided by Plaintiff's public adjuster and Plaintiff, which made liability reasonably clear, resulted in additional delay of payment of the claim after having sufficient information to make payment for such claim.

52. STATE FARM LLOYDS ignored the information provided by Plaintiff and Plaintiff's public adjuster during the handling of the claim and did not make a payment.

53. STATE FARM LLOYDS, upon receipt of the Richard Clarke estimate from Plaintiff, had sufficient information to make full payment to Plaintiff for the damages, but as of this date has failed to do so.

**COUNT IV - BREACH OF COMMON LAW  
DUTY OF GOOD FAITH AND FAIR DEALING**

54. Each of the foregoing paragraphs is incorporated by reference here fully.

55. Defendant's conduct constitutes a breach of the common law duty of good faith and fair dealing owed to its insured pursuant to the insurance contract and in direct contradiction of the applicable industry standards of good faith and fair dealing.

56. Defendant failed to conduct a proper and thorough evaluation, failing to perform adequate testing of the building to more accurately investigate and evaluate the

damages, failing to advise Plaintiff that it had not performed proper testing of the building and had not properly investigated and evaluated the damages, and preparing both a misleading and inaccurate damage estimate.

57. Defendant's failure, as described above, to adequately and reasonably investigate, evaluate, and pay the benefits owed under the insurance contract, knowing full well through the exercise of reasonable diligence that its liability was reasonably clear, resulted in a breach of the duty of good faith and fair dealing.

58. STATE FARM LLOYDS ignored the information provided by Plaintiff's public adjuster during the handling of the claim and did not make any payment.

59. STATE FARM LLOYDS failed to make any payment after receipt of the additional information from the public adjuster and Plaintiff, when STATE FARM LLOYDS knew or should have known liability was reasonably clear.

the value received, all in violation of Chapters 541 and 542 of the Texas Insurance Code;

- b. Generally engaging in unconscionable courses of action while handling the claim; and/or
- c. Violating the provisions of the Texas Insurance Code, as further described elsewhere herein.
